

DRUG ABUSE & DRUG-FREE AWARENESS PROGRAM STATEMENT AND POLICY

Continental Academie (hereafter referred as this institution) has established a Drug-Free Awareness Program (DFAP). The DFAP encompasses the following four phases:

Phase 1 – NOTICE: THIS INSTITUTION HAS A POLICY OF MAINTAINING A DRUG-FREE SCHOOL. All students are hereby notified that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in this institution. The student must notify the office of any criminal drug statute conviction for a violation occurring in the workplace, or while participating in any school sponsored activity, no later than five days after such conviction. In compliance with the Drug-Free Workplace Act of 1988, this institutions “workplace” consists of the following locations:

102 Derry Street, Hudson, NH 03051

Phase 2 – WARNING TO ALL STUDENTS OF THE DANGERS OF DRUG ABUSE IN THE WORKPLACE. Drug use impairs memory, alertness and achievement. It erodes the capacity to perform, think and act responsibly. It may be grounds for termination of your enrollment with this institution or other action (See phase 4)

Phase 3 – This institution has established a list of several drug-counseling centers to provide drug counseling, rehabilitation, and students assistance programs.

The office at Continental Academie keeps a list of drug counseling, rehabilitation, and student assistance programs for student’s to be referral. A list is also provided to each student in the Academie Welcome book at the beginning of their program.

Phase 4 – NON-COMPLIANCE WITH THE TERMS OF THIS INSTITUTION’S “DRUG-FREE WORKPLACE STATEMENT – NOTICE TO STUDENTS” will result in the following actions being taken by this institution:

- A. Require said student to satisfactory participate in a drug/alcohol abuse rehabilitation program approved for such purposes by federal, state or local health law enforcement or other appropriate agency.
- B. Within 30 days of receiving notice of criminal drug conviction these above actions must be complied with or up to and including termination procedures will be instituted.

I agree to attend a drug prevention class at Continental Academie.

I have read and understand the Drug-Free Awareness program explained above. I understand I may be requested to submit to drug testing with or without case. I have received a copy of this statement.

If I am requested to submit to drug testing, I will find Continental Academie harmless for anything that occurs related to having been tested. If I am found to test positive, I understand that I will be responsible for the cost incurred for the recommended recovery program.

This statement is signed by each student prior to the first day of school.
